McNAIR AND GEORGE

First round draft picks in consecutive years, QB Steve McNair (drafted in 1995) and RB Eddie George (drafted in 1996) became the centerpieces of a team that advanced to the playoffs in four of five years (1999, 2000, 2002, 2003). From 1997, McNair's first season as a starter, until Eddie George's final season as a Titan in 2003, the two combined to pull the franchise to new heights, including the team's first Super Bowl appearance (XXXIV). The duo started in the same backfield 107 times during their seven seasons together and posted a 67-40 record (.626 winning percentage) in those games, and 5-4 in postseason. The 2003 season would be memorable for both as McNair was named Co-MVP of the NFL, becoming only the franchise's second player to garner the honor (Campbell in 1979) and George became the franchise's all-time leading rusher, passing Earl Campbell and becoming only the 17th running back to reach 10,000 career rushing yards. Each player personified toughness with legendary stories told of McNair returning from injuries to lead his team to victory and George never missing a start in his eight year franchise career - 128 games - which represented the most consecutive starts in NFL history for a running back to start a career.

HOUSTON OILERS TO TENNESSEE TITANS

After trying unsuccessfully for many years to construct a deal with the city of Houston for a new football or multi-use stadium, Oilers owner K.S. "Bud" Adams, Jr. decided that moving his franchise to another city might be the only solution left to keep the team financially competitive. In the spring of 1995, research was completed and several cities were identified as desirable for relocation and at the top of the list was Nashville, Tenn. In the summer of 1995, Adams contacted Nashville's mayor, Phil Bredesen, to see if the city would be interested in having the team relocate to the region. A 70-day exclusive negotiating period was agreed to and in November the two had signed a relocation agreement that would bring the Oilers to Nashville. In April of 1996, the NFL approved the team's relocation and on May 7th, the voters of Davidson County approved a referendum on using public funding for the new downtown stadium. Dec. 15, 1996 would mark the Oilers final home game at the Astrodome in Houston – a 21-13 loss to Cincinnati in front of 15,131 fans. In May of 1997, the team reached a settlement with the Astrodome that let them escape the final year of the contract and allowing the team to play the 1997 season in Tennessee. With the new stadium in Nashville still two years from completion, the team decided to play at Memphis' Liberty Bowl until the stadium was complete. The Tennessee Oilers opened their inaugural season in the state of Tennessee with a 24-21 overtime win over the Oakland Raiders at the Liberty Bowl in front only 30,000 fans. The Oilers struggled with low attendance throughout the 1997 season and by March of 1998, the Oilers reached an agreement to play the 1998 season at Vanderbilt Stadium in Nashville. Crowds at Vanderbilt Stadium were an improvement from the previous year, but the team could only muster a 3-5 home mark. During the 1998 season, Adams announced the Oilers name would be retired and the team would be renamed the Titans as they entered their new stadium for the 1999 season. In April of 1999, the team unveiled their new Titans uniforms and in August the team played its first game at the new Adelphia Coliseum (in 2002 Adelphia's name is removed and in 2006 it is named LP Field). The 1999 season ends with the franchise's first Super Bowl berth in the team's 40-year history. A total of 20 players endured the entire odyssey of playing in Houston in 1996, Memphis in 1997, Vanderbilt in 1998 and LP Field in 1999.

The Titans first loss in their new home would come against the Baltimore Ravens on Nov. 12, 2000.
